

**Day-Trip One: "Kamień Pomorski and Międzyzdroje"**

**Date: August 8<sup>th</sup> 2007**  
**Minimum Group Size: 20**

**Day Trip**

After breakfast, we would be delighted to invite you to a day trip to the spa resorts of the Polish Baltic. En route, we will visit an old Pomeranian town of Kamień Pomorski. The central attraction of this place is a Romanesque-Gothic cathedral of the second half of the 12<sup>th</sup> century, whose collections feature numerous unique works of sacral art, including a beautiful Romanesque baptistery, a Gothic tabernacle and crucifixes, a baroque altarpiece and an organ built in 1669. After an

inspiring tour of the cathedral and its pleasure gardens, we will enjoy a rare opportunity of a spiritual feast of a thirty-minute, moving organ concert. After a leisurely walk through the center of the town, we will continue our journey to the seaside and to the Island of Wolin. There, we will have an opportunity of paying a visit to one of the most popular Polish spa resorts of Międzyzdroje, famous for its beautiful golden beach and a several hundred meter long promenade on a seaward jetty, as well as for its unique 19<sup>th</sup> century spa architecture. Towards the end of the organized part of the trip we will have a traditional Polish dinner, following which we will enjoy free time: a time of relaxation on the gorgeous beach, or in one of many cozy cafes in the seaside boulevard. We will return to Szczecin ca. 18:00
